# What clothes are you comfortable wearing?

| Name                                                                                                                                                                                                                                                                                                                                                       | Level<br>Level1 | Type<br>Essay | Date |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|---------------|------|
| Direction<br>The clothes I'm comfortable wearing are ____.<br>They are ___. / I like wearing clothes with ____.<br>My style is _____. / On special days, _____.<br>I like wearing _____ on special occasions.<br>....on my birthday last year, I wore a_____.                                                                                              |                 | Image         |      |
| Example<br><div>The clothes I'm comfortable wearing are a t-shirt and shorts.<br/>They are very cool. I like wearing clothes in light or pastel colors.<br/>My style is very simple.<br/>On special days, I also enjoy dressing up. I like wearing beautiful dresses on special occasions like on my birthday last year, I wore a pink floral dress.</div> |                 |               |      |
| Let's Write!<br><div></div>                                                                                                                                                                                                                                                                                                                                |                 |               |      |

Write a letter to your cousin telling her/him the things you did yesterday.

[illegible]
