What household chores can you do to help your parents?

Name	Level	Type	Date
Direction To help my parents When they are not / around In spite of / In this way take time to / tidy up		Essay	
Example To help my parents, I can tidy up my room, set the dining room table, and pack my own lunch for school. When they are not around, I can take time to take care of my younger siblings. In spite of being busy at school all the time, I can help keep the house clean by putting my things away. In this way, I can show my parents that I will also be able to take care of myself in the future.
